Special needs?

While we do not have a program specifically designed for students with special needs, we will do everything possible to work closely and openly with families and local support teams to meet the needs of all learners.

Other medical needs?

Note: Oregon law requires students to be vaccinated. We will request vaccine records during the first week of school. You may also sign an exemption form for our files.

Next steps:

1. Tiny Seeds Staff will contact you to confirm registration and class placement.
2. Upon confirmation of class placement, the \$100 registration fee is due. This can be done through check or cash, or Venmo (@tinyseedsschool).
3. In August, an enrollment packet will be sent. This will include welcome letter, family handbook and parent contract. Signed papers and first month's tuition are due the first day of school.
